Villa Park HVAC company celebrates 20 years

Kip Costenaro, and Jeff Truska outside of the K & J Heating Shop in Villa Park

Chamber Member since 2001, K&J were featured In the Daily Herald Newspaper

**CONGRATULATIONS!
HAPPY ANNIVERSARY!**

Submitted by Audra Hamlin

K & J Heating and Cooling Inc., a heating and cooling service company, today announced they have reached an exciting milestone as the company celebrates 20 years of serving residential and commercial customers in DuPage County.

"We are committed to upholding the company's strong reputation in delivering first-class service to meet the needs of our customers," said Kip Costenaro, co-founder of K & J Heating and Cooling, Inc. "We are dedicated to the clients we serve as well as the communities we work and live in."

Best friends Kip Costenaro and Jeff Trucksa recognized a need to provide Villa Park and Lombard, including neighboring communities with friendly and reliable HVAC service, repairs and installation company. This was their motivation when they began in 1998, and remains the same today.

K & J Heating and Cooling, Inc. has achieved these goals through its ongoing commitment to excellence and strong customer service. Our fully equipped sheet metal shop and stocked trucks allow for custom installations and to ensure minimal down time while repairing, maintaining and installing furnaces, air conditioners, humidifiers and air cleaners.

K & J Heating and Cooling Inc. is truly a family owned and operated business. Kip Costenaro and Jeff Trucksa have known each other since birth and grew up as best friends in Villa Park. After graduation from Willowbrook High School they both attended College of DuPage where they earned certification in HVAC. After working a few years working in the trade, they founded K & J Heating and Cooling Inc. 20 years ago with the help of Linda Costenaro, Kip's wife.

As a family-oriented company, Kip's father, Bob, continues to keep the boys in line and the shop in order, Linda's brother Jimmy works as a skilled heating and air conditioning technician and Kip and Linda's son Cody is learning the HVAC trade.

"On behalf of the entire K & J team, I want to thank all of our customers and partners for enabling us to build a great business by choosing us for their heating and AC service, maintenance and installations," said Jeff Trucksa, co-founder of K & J Heating and Cooling Inc. "We look forward to serving our neighbors as their trusted heating and AC company in DuPage County for another 20 years."

To learn more about K & J Heating and Cooling Inc., please call (630) 834-3456 or visit www.kjheatcool.com.
