

## Scenes from Swing & Sizzle Steak Fry!!!

It was a Gorgeous Day in VP for the 53<sup>rd</sup> Annual Golf & Steak Fry! Over 120 guests enjoyed a steak dinner char grilled by Joe Lane of Mike's Meat Market, and Mike Hirsch of Edward Jones.

This year we added a new attraction!!! In keeping with our 1914 Charlie Chaplin theme as the Little Tramp, all the volunteers wore bowler hats and President Jon Zaley took it to the extreme sporting a mustache and eye brows!!

Our Silent Screen Share Square brought in \$1,000.00 which was split with the winner Bob Dobry!!

Special Thanks to Carol Marcus for capturing the fun on camera, and sharing the photos!!  
 And Al Stasch for posting the photo's he took online. **View the Gallery at [www.tvpstyle.com](http://www.tvpstyle.com) or [CLICK HERE!!!!](#)**

**Upcoming Forums**

- TBA: Urbana
- TBA: Belleville
- 10/22: Bloomington

**YOU'RE INVITED: Food Scrap Composting Challenges and Solutions in Illinois Stakeholder Forum**

Every year in Illinois, businesses pay millions of dollars to haul food scraps to a landfill. That material could just as easily go to a compost facility...except it's currently way more expensive, and compost facilities are few and far between.

The Illinois Food Scrap Coalition wants to change that. And they need your help! If your business or organization...

- Creates food scraps (restaurants, hotels, hospitals and other large businesses)
- Hauls food scraps (any waste haulers, large or small)
- Composts food scraps (commercial compost facilities)
- Uses finished compost (municipalities, government agencies, landscape companies and more)
- Wants to learn about possible grant funds to implement food scrap diversion.

...please consider attending this upcoming Stakeholder Forum to share your ideas, experiences and challenges. We need your boots-on-the-ground, every day experiences and input to help us develop solutions that will work. This is one of five Food Scrap Composting Challenges and Solutions in Illinois Stakeholder Forums that will help to advance commercial food scrap composting.

Work with us to reduce the environmental impact of the Department of Commerce and Economic Opportunity (DCEO)

DETAILS COMING SOON!

**About the IFSC:** The Illinois Food Scrap Coalition (IFSC) is a group of more than 100 solid waste agencies, county governments, nonprofit organizations and state and federal agencies organized to promote food scrap composting in Illinois. Founding members include representatives from: Seven Generations Ahead, School and Community Assistance for Recycling and Composting Education (SCARCE), Solid Waste Association of Northern America (SWANA), Solid Waste Agency of Northern Cook County (SWANCC), Solid Waste Agency of Lake County (SWALCO), Illinois Counties Solid Waste Management Association (ILCSWMA), Kendall County, DePaul University, Kane County, Cook County, Will County, Loyola University, McHenry County College, Village of Oak Park, U.S. Environmental Protection Agency (EPA), and Illinois Department of Commerce and Economic Opportunity (DCEO). Learn more at [illinoiscomposts.org](http://illinoiscomposts.org).
